

Master Esthetician Diploma

Advanced Diploma Program

Pre-requisites:

- 1) Graduated in Esthetic program from licensed school
- 2) Licensed Cosmetologist or Licensed Cosmetician
- 3) Out of country applicants: submit experience documentation or schooling for approval

Candidates successfully completing this program are awarded a diploma bearing the seal of the ISBE College. "Successful completion" is defined as earning the grade of C or higher in all constituent courses of the curriculum. The repeat of courses is permitted.

To establish candidacy, one must apply application to this program.

ISBE College may change the content and course requirements of a certificate program at any time. To prevent being impacted by possible changes in the course requirements, students are encouraged strongly to enroll in the certificate of their choice as early as possible following their selection of a program. Only those who have paid the course fees and have been accepted are assured of completion of a certificate under its current requirements.
