Admission Requirements

Admission into our school is open to all applicants provided the following requirements are met:

- Be at least 16 years of age. If under 18, a parent or guardian must enroll the applicant.
- Successfully completed high school or the education equivalent (GED certificate).
- Valid certificate as proof indicating the applicant is free of active tuberculosis.

School Objectives

The educational objectives of our training programs are as follows:

- Educate students to become professional, knowledgeable, and skilled Estheticians, Nail Technicians, and Make-up Artists for marketability within the Industry.
- Maintain programs that are constantly updated so students will have complete knowledge to compete in the vast realm of the beauty industry.
- Promote the continuing educational advancement of the faculty and students, using current teaching methods and techniques of the highest quality.
- Prepare the student to successfully pass the State Board Exam for State License and employment.
- Produce salon-ready individuals upon graduation with skills to manage, own, or work in a salon.
